

Annual grant performance and feedback report – staffing posts

This report should be completed in full and returned to Suzan Yanni, the Hospital Grants Manager at Kidney Care UK, on each anniversary of the original grant award. Please note, for all multi-year grants, the release of subsequent years' funding is dependent on a fully completed report annually.

Please write this report so it can be understood by the lay reader. Please ensure you include as much detail about the impact and benefits of this post(s) as possible.

1: DETAILS	
Date of report:	
Report author name:	
Report author title:	
Report author email address:	
Post holder name:	
Post holder email address: (If different from report author)	
Post title:	
Number of years awarded:	
Name and address of administering hospital:	
Start date:	
End date:	
Provide a short description of the work involved with this post. (It is important that we can explain and demonstrate the benefit of funding work like this to the people who support us. Please provide a 100–200-word	

<p>description of the project, and include the impact that this work has had, including clear simple results, such as percentage increases. Please write this as if the person reading it has no prior knowledge of kidney disease or of the work you do.)</p>	
--	--

2: IMPACT OF GRANT

<p>What has been the overall impact of the post within the department, its benefits, and is it meeting objectives. How are these being measured?</p> <p>(Please be as specific as possible about the main findings and outcomes, and provide quantified data where possible)</p>	
<p>Describe any challenges that have arisen and how they were resolved:</p>	

3: BENEFICIARIES

<p>How many kidney patients benefit directly from this post?</p> <p>(Please be specific. Where possible include actual patient numbers and no. of appointments)</p>	
<p>How has the post benefitted patients, what have been the improvements in care and the impact on their quality of life?</p> <p>Please list all key positive outcomes/improvements.</p> <p>(Please provide as much detail as possible to help us fully assess the impact of this grant. Include any quantifiable data in your response, including any improvements in patient measured outcomes. Feel free to attach additional documents</p>	

to this report)	
<p>Please provide a case study and /or testimonial from a kidney patient and or family member describing how they have benefited from the project</p> <p>(Please indicate if the patient would be willing to provide a fuller case study for Kidney Care UK/hospital use)</p>	

4: PUBLICITY

<p>Please summarise any publicity achieved for the project.</p> <p>(Include copies of publicity materials such as leaflets, posters, and press articles etc.)</p>	
<p>Please sum up in a quote what key impact this grant has made to your unit/patients/staff.</p> <p>(E.g., “Thanks to this grant it has meant...”)</p>	
<p>Please add any additional comments you wish to make.</p>	
<p>Please include a statement from the Senior Clinical Lead in the Unit, regarding the impact/benefits of this role.</p>	
Name:	
Title:	
Signature:	

5: POST SUSTAINABILITY

<p>Will this post continue when Kidney Care UK’s funding comes to an end?</p> <p>(Please indicate what assurances the Trust has given that they will fund/consider funding this post)</p>	
--	--

after Kidney Care UK funding is finished)	
Please outline what plans are being made to justify continuation of this role. Is a business case being prepared?
